### TIM LUNDY, CSEP RISING STAR AWARD

At the 21st anniversary of the Allie Awards we remembered the entrepreneurial spirit of the team that created the Allies, in particular its founder, Tim Lundy, CSEP. The spirit and intent of this award is designed to honor, recognize, encourage, and inspire a young event professional toward his/her greatest potential in the special events industry.

Nominees shall:

- Be within their first five years in the special events industry
- Be actively involved in the Georgia events industry and association community
- Have exhibited innovation and leadership and made an impact on their company
- Have clear potential to grow into more responsibility in their company, association organization and the community at large.

### DALE RIGGINS HUMANITARIAN AWARD

Shepard Convention Services introduced the Dale Riggins Humanitarian Award in 1993 as a tribute to, and in memory of, their valued employee, Dale Riggins, who made great contributions to the special event industry. This prestigious honor is awarded each year to an individual who donates time, talent, effort, and expertise to community service both within our industry and in our community. The recipients of this award are among the most honored luminaries in our industry.

Consider for a moment the individuals who truly “make a difference” to those in need and whose effects give the live events industry its true impact and high profile. Please take time to nominate someone in our industry whom you feel is worthy of this honor.

Nominees should be of high moral and ethical stature and exhibit outstanding professionalism in their service to the events industry and the community at large.

### BOB BLAESING, CSEP LIFETIME ACHIEVEMENT AWARD

A Lifetime Achievement Award was established in the first year of the Allie Awards to honor individuals in our industry who have made a mark in the events community over their career. Past recipients are event professionals for 20 years or more who are well known for their contributions to the events industry.

The title “Lifetime Achievement Award” implies a long period of time, and while honoring longevity is good, the key word is “achievement.” We chose in 2004 to honor the late Bob Blaesing, CSEP, co-founder of Experience by Design, by renaming the award the “Bob Blaesing, CSEP, Lifetime Achievement Award.” Bob was a visionary whose philosophy exemplifies what we honor with the Lifetime Achievement Award: nurturing those around us through education, pursuit of ethical and professional behavior throughout the industry, and commitment to the growth of special events. May his spirit live on in those who are honored with this award.

Nominees should be individuals who have made an impact in our events community over the course of their career, through innovation, dedication, and achievement.

***All recipients of these Legacy Awards will be selected by the Allie Awards, Inc. Board of Directors and the honor will be presented on awards night.***
